

Peacock Daybed

By Cane-Line

Description

The Modern Outdoor Peacock Daybed, designed by Foersom & Hiort-Lorenzen MDD, blends modern, timeless design with exceptional comfort and a distinctive visual expression. Crafted in Cane-line Weave®, the daybed is designed for outdoor use in any climate, with materials that are resistant to temperature changes and UV exposure. The two-tone weave creates a unique look, while the Cane-line Natté light gray cushion set and four large 60 x 60 cm back cushions provide an inviting place to relax. A small teak table is included with the daybed, and it can also be combined with the Classic parasol. With recyclable materials, high lightfastness, a long lifespan, and minimal maintenance requirements, Peacock is designed for lasting outdoor enjoyment. Made in the EU.
