

Peacock Wing Sofa

By Cane-Line

Description

The Modern Outdoor Peacock Wing Sofa, designed by Foersom & Hiort-Lorenzen MDD, combines a modern sculptural expression with generous comfort and an inviting, warm look. Its high, shielding back creates a more enclosed setting for relaxation and quiet moments outdoors. Crafted with strong Cane-line Soft Rope, the sofa is designed for outdoor use in different climates, with materials that are resistant to temperature changes and UV exposure. Its moisture- and water-resistant construction supports a long lifespan while requiring minimal maintenance and cleaning. Made in the EU.
