

## Boscolo

### *Description*

Defined by its strong proportions and simple lines, the Boscolo Console brings a rich sense of warmth and understated sophistication to luxury interiors. Its rectangular silhouette is anchored by a dynamic, splayed leg structure, creating an immediate visual impact that balances a grounded architectural character with master Italian craft.

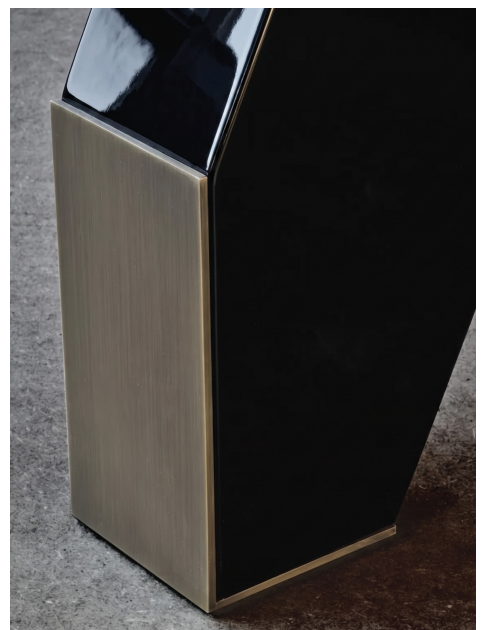

Exquisitely crafted in refined wood veneer—such as Matt Grey Oak—the console highlights the organic depth while the recessed underside of the top subtly reveals the characteristic CASA CASATI orange.
