

Sushi Extendable

Design: Bartoli Design

Description

The Sushi Extendable Table by Bartoli Design features a precision-engineered drawn anodized aluminum frame and a streamlined extendable mechanism designed for stability and flexibility. The tabletop is available in Linecompact® laminate, Pure White laminate, or, excluding Size A, Fenix NTM® with a matching colored edge. All sizes except Size A can accommodate an optional third extension leaf for increased seating capacity. Its durable materials, integrated extension system, and lightweight architectural profile make it a functional solution for contemporary dining spaces. Made in Italy.
