

Sushi Office

Design: Bartoli Design

Description

The Sushi Office Desk features a precision-engineered frame with 2"3/8 x 2"3/8 drawn anodized aluminum legs, ensuring exceptional strength, stability, and a lightweight appearance. The tabletop is available in Linecompact® laminate or Pure White laminate, offering a durable, scratch-resistant, and easy-to-maintain surface suitable for residential and commercial use.

Optional accessories include cut-to-size legs for customized table heights, lateral or central cable ports, a plastic cable mesh, a cable vertebra for vertical cable organization, and an opal white methacrylate CPU holder, allowing seamless integration into office, meeting, and collaborative environments. The combination of premium materials and functional accessories makes Sushi a versatile solution for modern interiors. Made in Italy.
