

Sushi Extendable

Design: Bartoli Design

Description

The Sushi Outdoor Extendable Table by Bartoli Design features a durable outdoor construction with a precision-engineered extendable mechanism. The tabletop is available in Fenix NTM® with a matching colored edge or DEKTON® by Cosentino, offering high resistance to UV exposure, moisture, stains, scratches, and temperature changes. DEKTON® Aura features a naturally random grain pattern, making each top unique. All sizes can be configured with an optional third extension leaf, while optional legs cut to size allow additional customization for specific projects. Made in Italy.
