

Wideboy

Description

The Wideboy Sofa expresses a bold interpretation of contemporary comfort, balancing generous proportions with refined craftsmanship. Its distinctive silhouette combines a strong sculptural presence with a softer, more inviting character, creating a sophisticated statement for contemporary interiors.

Defined by its generous volumes and distinctive leather detailing, Wideboy creates a striking contrast between its structured outer appearance and the softness of its seating. The enveloping proportions give the sofa a sense of depth and comfort, while the refined details bring a sophisticated sartorial quality to its overall expression.

With its expressive silhouette and carefully considered details, the Wideboy Sofa brings together sculptural strength, contemporary elegance, and everyday comfort, creating a distinctive focal point for sophisticated residential and hospitality interiors.

Made in Italy.
