

AIR-TAV0128 Conference Table

By Arteinmotion - Aeronautical Collection

Description

The Transitional AIR-TAV0128 Conference Table transforms the structural skeleton of a Boeing Stearman upper wing into a striking dining or conference table. Available in either left-hand or right-hand wing versions, the design preserves the elongated aircraft structure and exposes its intricate internal framework beneath an extra-clear glass top. Mirror-polished components are combined with painted Douglas wood elements, creating a refined contrast between metallic aircraft engineering and natural material. Offered in several lengths, the AIR-TAV0128 provides a substantial centerpiece with unmistakable aviation character. Made in Italy.

Finishes & Materials

Top: Glass

Structural Parts: Metal

Main Skeleton: Wood

AIR-TAV0128

Dimensions

Size A: 98"3/8W x 59"7/8D x 30"5/8H

Size B: 118"1/8W x 59"7/8D x 30"5/8H

Size C: 137"3/4W x 59"7/8D x 30"5/8H

Size D: 150W x 59"7/8D x 30"5/8H
