### *Description*

The Transitional DIV-HAR Harbour Sofa combines generous proportions with a soft, relaxed profile. Upholstered in leather, its three-piece configuration features broad cushions, padded armrests, and an integrated chaise section that extends the seating area while maintaining a cohesive design. Available in Category 1 (Maxpell Camoscio) or Category 2 (Seta) leather depending on the selected reference, the Harbour offers a substantial seating arrangement with a comfortable, inviting appearance. Its balanced proportions and understated form make it a versatile choice for contemporary and transitional living spaces. Made in Italy.
