

141 (Medium)

Description

Sculptural and atmospheric, this lamp transforms light into a striking vertical composition, where organically shaped glass elements appear to float in a luminous cascade. Its elongated arrangement creates a strong architectural presence while preserving an exceptional sense of lightness and movement.

Remote mounted power supplies recommended for ease of long term maintenance.
Installation to be done by certified personnel to ensure code compliance.

This fixture requires design drawings to determine the specific cable lengths. Please review the length measuring guide and send it to our Sales Department. We will provide drawings for approval, which are required before Bocci can begin production. Please contact us for any inquiries.
