

Trama

Description

The Trama Sectional embodies a refined approach to contemporary design, where structural integrity and enveloping comfort come together in a single, cohesive composition. Its distinctive silhouette is defined by smooth, rounded lines and carefully balanced volumes, creating a soft yet substantial presence within the space.

Finishes and materials

Structure: made of solid spruce and plywood and covered with expanded polyurethane. Secondary and non-structural parts in fibreboard panels.

Seats: padded with differentiated density expanded polyurethane foam and covered with a 100% down quilt.

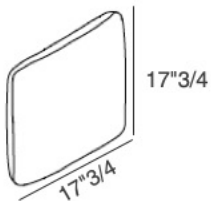

Backs & Armrests: padded with polyurethane foam with a polyester pad and covered with a 100% down quilt. Available in two heights.

Legs: in black plastic.

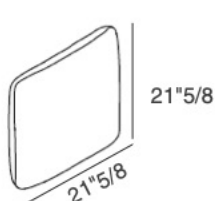

Upholstery: Removable cover in the fabric version.

Optional Cushions:

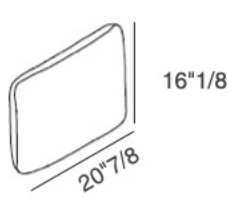

DI01TRX4545

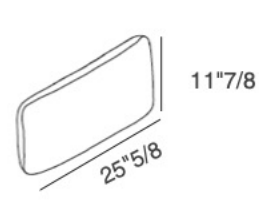

DI01TRX5555

DI01TRX5341

DI01TRX6530

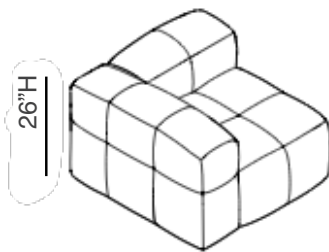

Trama

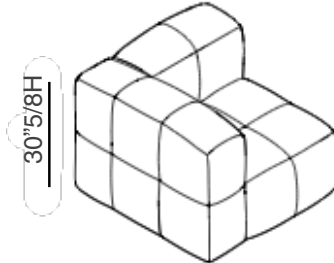

Compositions

***Please Note:**

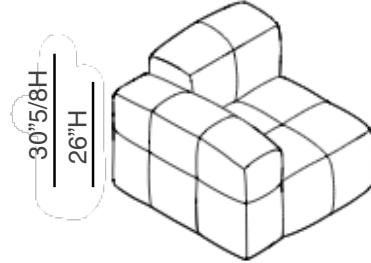

Each composition can be customized with three different height configurations for the backrest and armrests.

Low Backrests & Armrests

High Backrests & Armrests

High Backrests & Low Armrests

Composition 1: 108"5/8W x 69"1/4D x 30"5/8H

Composition 2: 146"1/2W x 69"1/4D x 30"5/8H

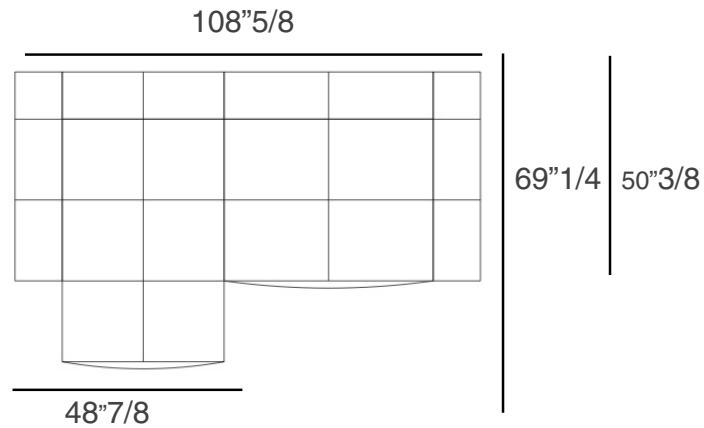

Composition 3: 172"3/8W x 57"D x 30"5/8H

Composition 1:

Modules:

DI01TUI0 x1

DI01TUBB x1

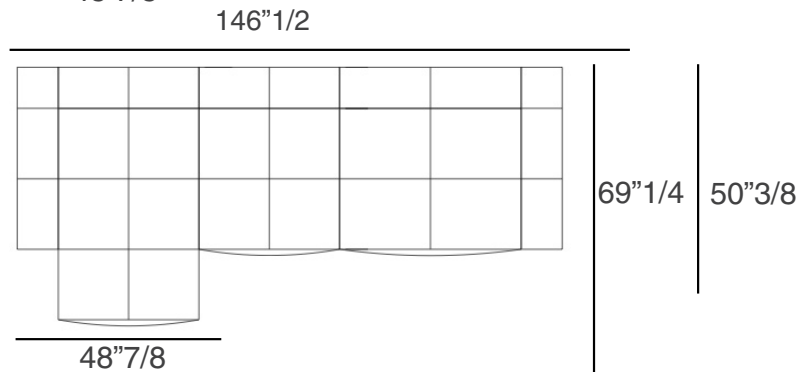

Composition 2:

Modules:

DI01TUI0 x1

DI01TUCE x1

DI01TUBB x1

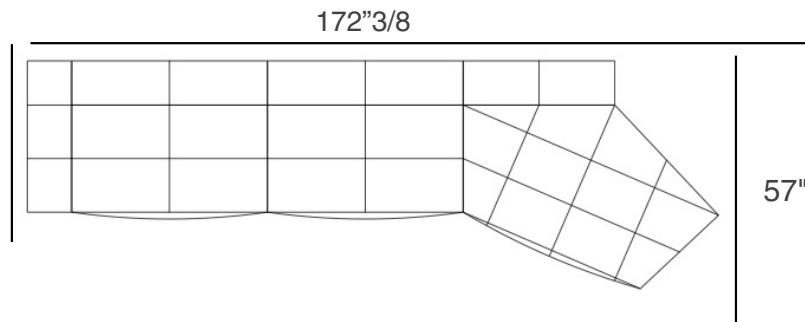

Composition 3:

Modules:

DI01TUBB1 x1

DI01TUCB x1

DI01TTP0 x1

Raggio

Compositions

Composition 4: 210"1/4W x 100"3/8D x 30"5/8H

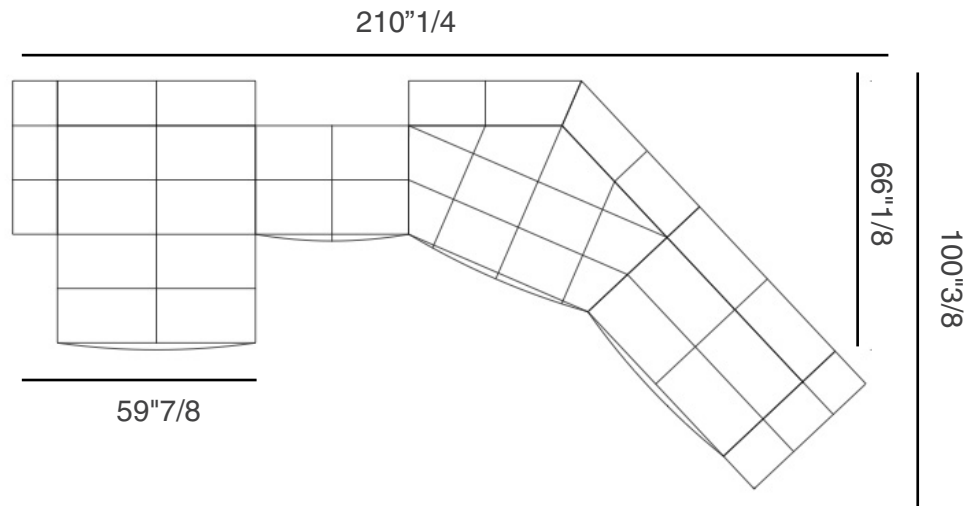

Composition 5: 155"7/8W x 50"3/4D x 30"5/8H

Composition 6: 178"W x 110"5/8D x 30"5/8H
