

Sun

Design: Marco Pozzoli

Description

Defined by an intricate sunburst pattern across its door fronts, this sophisticated sideboard brings an artistic, dynamic presence to modern spaces. Its distinctive doors create a captivating focal point, giving the piece a strong visual identity while maintaining a refined, linear frame.

Available in both 2-door and 3-door configurations, the design adapts seamlessly to various room sizes and spatial layouts. The combination of its generous internal storage capacity and lightweight base design creates a harmonious balance between functionality and contemporary visual lightness.
