

Penta

Description

The Penta Sectional brings a refined and contemporary character to the living space through its soft geometry, balanced volumes, and carefully considered proportions. Its fluid silhouette creates a welcoming and harmonious composition, blending visual sophistication with an effortless sense of relaxation.

Generous seating and softly defined contours enhance its inviting character, creating a comfortable environment designed for everyday living and extended moments of relaxation. Its carefully balanced proportions allow the sectional to maintain a strong presence while preserving a sense of visual lightness, making it an elegant focal point within the room.

Designed to make a statement while maintaining a sense of harmony, the Penta Sectional complements a wide range of contemporary interiors, bringing together distinctive design, comfort, and timeless appeal.
