Leon

Description

The Leon Sectional embodies a timeless approach to contemporary design, combining refined aesthetics, premium materials, and exceptional comfort. Its sturdy wooden frame, supported by variable-elasticity webbing, provides excellent stability and lasting support. The carefully engineered construction features non-deformable, dual-density polyurethane padding, ensuring a comfortable seating experience while preserving its shape and resilience over time.

Upholstered in premium leather, Leon showcases an elegant finish that enhances its sophisticated character while offering durability for everyday use. Its distinctive wooden base and integrated feet introduce a warm architectural detail, complementing the sectional's clean lines and generous proportions while creating a balanced sense of lightness and stability.

Finishes & Materials

Structure: Wooden frame fitted with an elasticized webbing suspension, covered with stress resistant undeformable polyurethane foam.
Paddings: Back and seat cushions in feathers with polyurethane central insert. Arms in feathers.
Covering: In leather or fabric, not removable.
Feet: Metal base.
