Siracusa

Description

The Siracusa Sectional combines contemporary design, generous comfort, and smart functionality, making it a sophisticated addition to any modern living space. Its clean, square lines create a sleek architectural silhouette, while the spacious chaise lounge provides an inviting place to stretch out and relax. Designed to maximize both style and practicality, it offers a welcoming setting for everyday lounging and entertaining.

Upholstered in soft, durable fabric and available in a wide selection of colors, Siracusa adapts effortlessly to different interiors and personal styles. Its solid structure and generously padded cushions provide comfortable, supportive seating, while the carefully considered proportions create a balanced look that enhances the living area.

Finishes & Materials

Structure: Wooden frame fitted with an elasticized webbing suspension, covered with stress resistant undeformable polyurethane foam.
Paddings: Back and seat cushions in feathers with polyurethane central insert. Arms in feathers.
Covering: In leather, or in fabric not removable.
Feet: Not visible in plastic,.
Features: Easy modular elements obtained with the new system of brackets. If needed, also the ottoman elements can be “attached” and become part of the furniture. All elements are upholstered also on the combining sides.
Upon request: On all modular elements it is possible to choose “casual” stitching.
Arm size 4" higher than standard version.
