3730 Bed

By Bellotti Ezio

Description

The Traditional 3730 Bed by Bellotti Ezio is conceived as the undisputed focal point of the sleeping area, combining refined traditional design with a strong sense of luxury and elegance. Its generous presence gives the bedroom a sophisticated identity while creating an inviting and visually balanced composition. Carefully considered proportions and decorative detailing give the bed a distinguished character without compromising the harmony of the room. The design emphasizes both comfort and visual impact, allowing the piece to function not only as the central furnishing of the bedroom but also as an important expression of style. Made in Italy.
