9338 Bar Cabinet

By Bellotti Ezio

Description

The Traditional 9338 Bar Cabinet by Bellotti Ezio brings together functionality, craftsmanship, and decorative sophistication in a refined storage piece designed for elegant interiors. Conceived as both a practical bar cabinet and a distinctive furnishing, it balances useful interior organization with carefully considered materials and lighting. A defining feature of the design is the back panel crafted from rattan cane in an Oro Chic finish. The woven texture introduces depth and visual richness to the interior, while the metallic warmth of the finish gives the cabinet a luxurious and distinctive character. Made in Italy.
