Morrison

Description

The Morrison Sofa brings together contemporary styling and thoughtfully designed comfort. Built around a sturdy wooden frame with variable-elasticity straps, it features non-deformable polyurethane foam and soft polyurethane and wadding padding, providing lasting support while maintaining its shape over time. Its non-removable fabric upholstery adds a refined finish, complemented by sleek metal legs in Titanium Dark.

Designed to adapt to your preferred seating position, Morrison features manually adjustable backrests and reclining headrests on all seats, allowing you to find the ideal position for relaxing. Adjustable armrests add another layer of versatility, enhancing its comfort and functionality.

Finishes & Materials
