Charlie Suspension Lamp

Design: Carlo Nason

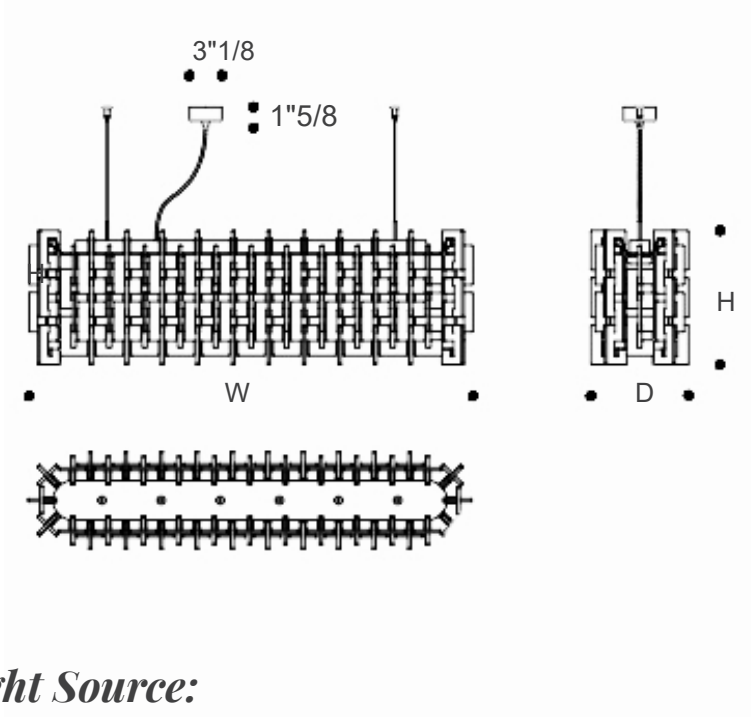

Description

Interlocking C-shaped elements are layered around the light source to form a shade with a strong, graphic outline. When the lamp is lit, light filters between the shapes and creates a lively play of brightness and shadow. The shade rests on a slender vertical stem and a round, flat base, keeping the overall silhouette light and balanced.
Part of the Charlie collection, the lamp pairs a contemporary concept with a retro feel. It becomes an iconic accent on a console, sideboard or bedside table. Made in Italy.

Dimensions

44"1/2W x 9"7/8D x 13"3/4H

Light Source:

X1 E26 Max 100W 110-120V

Finishes & Materials

Structure: Metal
