Design: Dainelli Studio

Description

Desk with ash wood structure and base with central part covered in leather. The top is available in marble or ash wood. There is a drawer on the right-hand side of the top and a compartment on the left-hand side, to be completed with one of the following accessories:

- Multi-socket outlet (1 schuko and 1 USB) and brush holder in ash wood to match the structure;
- Multi-socket outlet (1 schuko and 1 USB) and ash wood storage compartment to match the structure;
- Multi-socket outlet (1 schuko and 1 USB) and leather inside top to match the base.

The following accessories are available on demand:

- Square storage compartment in ash wood with leather bottom;
- Rectangular storage compartment in ash wood with leather bottom;
- Rectangular storage compartment in ash wood with leather bottom and double-sided, swivel mirror.

The mirror has a frame in ash wood and painted metal supports that allow it to be removed.

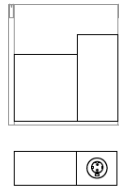

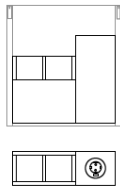

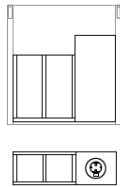

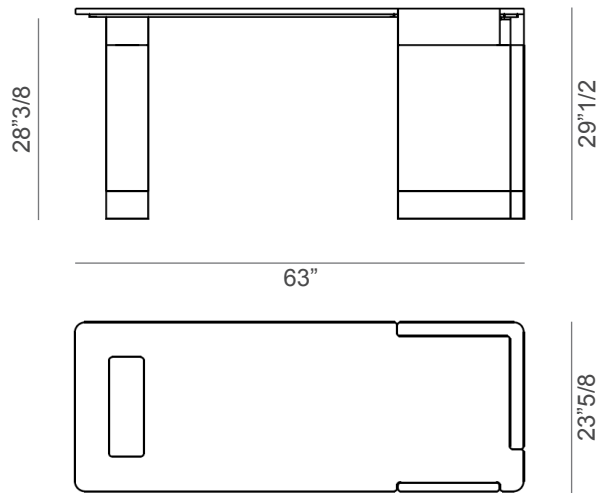

Made in Italy.
