

Venus

Design: Roberto Lazzeroni

Description

Vanity with structure in curved plywood, MDF and Canaletto walnut veneer. The top features four flap doors: two on the front, one with mirror and a little metal arm with two security shock absorbers for closing, and two on the back. The interior has compartment trays in different sizes, available with suede effect finish or in painted Fiddleback Sycamore. The top, the shelf and the internal side of the base are covered with saddle leather. Available on demand: matching ottoman with structure in curved plywood and seat in flexible multi-density polyurethane, covered with fibers. The feet are painted in a bronze color with natural effect. The handle and the external upholstery are in leather, while the cushion can be in fabric or leather. The upholstery is not removable. Made in Italy.
