

Moore Relax

Design: Umberto Asnago

Description

Lounge chair with backrest in poplar plywood panels curved in mould; seat in solid poplar heartwood ("naturally" seasoned for at least 3 years); dap joints with cylindrical dowels. The webbing is secured by elastic polypropylene and natural latex belts. Framework covered with contoured sheets of resilient, CFC-free polyurethane foam (with density of 30÷35 kg/m³) covered with polyester wadding. Non removable covers available in fabric or leather, characterized by an hexagonal quilting on the internal seat and backrest. 4-spoke swivel base in aluminum, painted with epoxy powders. Made in Italy.
