

Butler

Design: Bernhardt & Vella

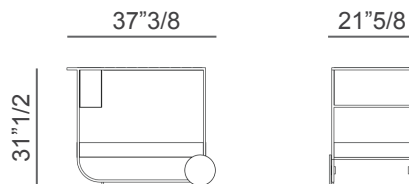

Description

Butler is an outdoor cart, ideal to organize, transport and contain food, tableware and other objects. The superior top in Iroko wood together with the inferior level and the food-cart container in metal, removable on necessity, create a game of volumes and lines with the structure. Made in Italy.

Dimensions

37"3/8W x 21"5/8D x 31"1/2H
