*Design: Marc Sadler*

## *Description*

Table lamp with hand modulated diffusor in Lentiflex®. The internal structure and clasp match the fluidity of the external plissé diffusor and prevent the accumulation of dust. The lamp has dual switches, one for the shade and another for the base. Both light sources can be used together, and cast a uniform glow. The table lamp's shade and sockets are have magnets to facilitate cleaning and changing the bulbs. Made in Italy.
