

# Summerset

*Design: Christophe Pillet*

## ***Description***

The Summerset stool has a steel grid (which can be chrome-plated or powder-coated) and matching structure. It is ideal for high tables and bars, for drinks with friends in the evening, in the outdoors or indoors. This armchair has several options when it comes to cushions: it can be frame-only, whole-body cushion or only seat cushion.

## ***Finishes and materials***

**Frame:** Metal, chrome-plated or powder-coated.

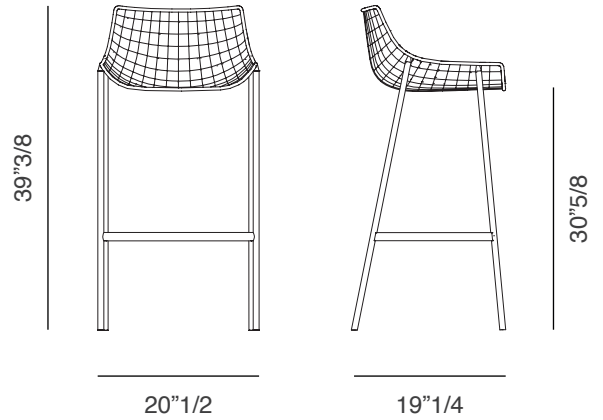

**Cover:** Fabrics from the collection, categories COM, B, C and D.

*(For more specifications, please refer to "Finishes & Materials")*
